

- 720 square feet of open office space with two private offices and a spacious front office with generous office space for up to eight people.
- All offices are 11 feet wide and will easily accommodate your office furniture with ease.
- Our buildings are completely insulated and come with a heating and air conditioning system to provide a comfortable work environment.
- Vinyl floors offer a near maintenance free office building.
- Acoustical T-bar ceiling decreases the amount of noise traveling from room to room.
- Energy efficient fluorescent lighting won't put a squeeze on your utility budget.
- Upgraded interior wall coverings and decorative wood siding provide a professional appearance.
- Handicapped accessible restroom.

Note: Dimensions, and door & window locations shown are nominal. Actual dimensions, layout, and roof slope may vary depending on model or model year selected.
